Shandong Brother

International Trading Co., Ltd. is a subsidiary company of Shandong Brother Industry Group, located in Shouguang, Weifang City, Shandong Province. Shandong Brother International Trading Co., Ltd was founded in 2008. Because of global economy crisis, our chemical products were affected a lot and benefit less than before, so the director Mr. Guo decided to set up this trading company to do other business, like machinery, solar energy products etc. which could help us to get more benefit. Since our establishment, insisting on the tenet of "Quality First and Credit Upmost", we have exported products to more than 20 countries such as Czech, France, Belgium, Brazil, Argentina, Peru, Nigeria, Congo, India, Australia, Papua New Guinea and Oman. Our company cooperate with many good factories in China and have good relations with them, so we can recommend and supply our customers machines with superior quality and competitive prices.
